EASY AND READY TO USE.

A COMPLETE AND EXTREMELY INNOVATIVE LINE OF PATCHES FROM PRE-WETTED TO THE EASY TO USE DRY PATCH.
 WORLD WIDE EXCLUSIVE OF THIS UNIQUE PRODUCT THAT SOLVES ALL YOUR BORE CLEANING NEEDS.

READY TO USE DISPOSABLE WET AND DRY PATCHES PACKED IN EXTREMELY INNOVATIVE EASY TO USE SYSTEM.
 YOU CAN FORGET IMPRACTICAL BOTTLED LIQUIDS, OBSOLETE ACCESSORIES AND COTTON PATCHES.

Oil wetted patches that simultaneously cleans residues of powder and metal. Excellent to lubricate your firearms, protects from corrosion and preserves the wooden stock and leather.

Oil free wetted patches to remove all traces of copper, lead and carbon fouling. Top class for bench rest shooters.

Unique single roll packaging to allow maximum ease of dispensing and use.

Each caliber for best results, has it's own special jag that allows for the exact friction within the bore to maximise results.
